Description:

Written by one of Amsterdam's most popular walking tour leaders, this book book matches up archive images from the late 19th century through to the 1950s with the modern-day view of that site. All the set-piece tourist destinations are included, such as the Rijksmuseum, Central Station, the Anne Frank House, Heineken Brewery, Rembrandt House, the iconic Montelbaans Tower and all of the major canals and museums. There are also many of the architecturally significant buildings and the grand parks and squares that have played an important part in the lives of Amsterdammers. Written in both English and Dutch it is a book that will appeal to both visitor and resident alike. Sites include: Amstelveld, Blauburgwal, Groenburgwal, Herengracht, Prinsengracht, Reguliersgracht, Oude Zijds Voorburgwal, Tropen Museum, Westerkerk, Portuguese Synagoge, Grimburgwal, De Waag, Vondelpark, Melkweg, Bloemstraat, Raadhuisstraat, Tichelstraat, Westerstraat, Concertgebouw and the Amstel Hotel.

Up to date and very thoroughly researched. A great gift for armchair travellers.
